

HAVE YOU GROWN WEARY OF IMPROPER PUMP REBUILDS??

THERE IS STILL TIME TO DO IT RIGHT!!!

Kugelfischer rebuilds from Precision are actually complete restorations, which have been know make some Tii (and CSL & M1) engine bays seem downright filthy! Moreover, pumps done by Precision are *guaranteed* to run right. Perhaps that's why they recondition for street and racing customers all over the world, including Germany... Look at what you get when it's done right:

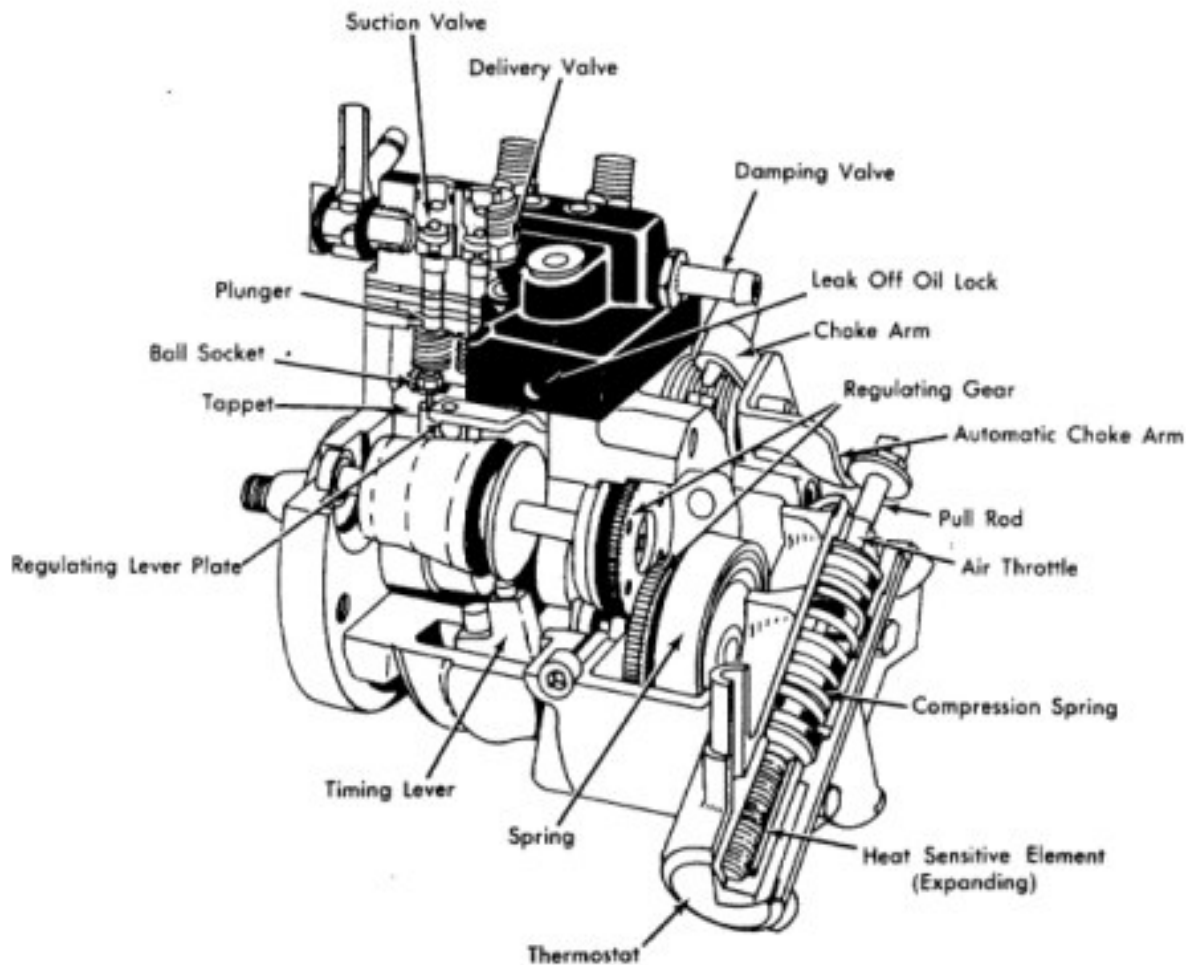

Plated Linkage
Installation Manual
All Bearings Replaced
All New Seals & Gaskets
Powder-Coated Pump Heads
Reconditioned Warm-Up Regulator
Comprehensive Bench Testing (4+ hrs)
Fuel Delivery Customized to your Engine
Cylinder-to-Cylinder Output Balanced to 0.1%!
Bottom Line: The best running Tii you've ever driven!
